Omni-Chem¹³⁶, LLC Announces New Canadian Member

Brownsburg, IN – (November 9, 2018) – Omni-Chem¹³⁶, LLC the largest global alliance of regional independent chemical distributors announces that Quadra Chemicals Ltd. has joined the alliance effective January 1, 2019.

"The addition of Quadra Chemicals is a significant step forward toward building a truly global chemical distribution alliance," says Fred A. Buehler, Managing Director Omni-Chem¹³⁶. "Quadra is a world class distributor with operations that adhere to the highest standards of responsible distribution. We are delighted to have Quadra Chemicals join the group, and are excited about the capabilities and coverage they bring to our alliance."

Quadra Chemicals Ltd. distributes a complete portfolio of chemical and ingredient specialties and commodities to a wide range of industries and markets. Quadra is headquartered in Montreal, Quebec and has facilities across Canada.

"Our membership in Omni-Chem¹³⁶ represents an excellent opportunity for our company to grow our network of relationships globally" says Anne Marie Infilise, President Quadra Chemicals Ltd. "The Omni-Chem¹³⁶ alliance includes leading chemical distribution companies and we are honored to be a part of such a prestigious group of companies."
