Omni-Chem¹³⁶, LLC Announces New Brazilian Member

INDIANAPOLIS, IN – (January 15 1, 2014) – Omni-Chem¹³⁶, LLC the world's largest alliance of regional independent chemical distributors with 16 members, more than 135 facilities and \$2.6B of combined sales announces that Coremal, Comercio e Representacoes Maia Ltd S.A. of São Paulo Brazil has joined the alliance effective January 15, 2014.

"The addition of Coremal, Comercio e Representacoes Maia Ltd to our alliance is another step forward in our strategy to build a global chemical distribution alliance, says Fred A. Buehler, Managing Director Omni-Chem¹³⁶. Coremal, Comercio e Representacoes Maia Ltd is a world class distribution company with operations that adhere to the highest standards of responsible distribution. We are delighted to have Coremal, Comercio e Representacoes Maia Ltd as part of our alliance and are excited about the continued global expansion of our alliance."

Coremal, Comercio e Representacoes Maia Ltd S.A., manufactures and distributes a complete portfolio of chemical specialties and commodities to a wide variety of industries. Coremal, Comercio e Representacoes Maia Ltd is headquartered in São Paulo with facilities located throughout Brazil.

"Our membership in Omni-Chem¹³⁶ represents an excellent opportunity for our company to grow our network of relationships throughout the global chemical distribution industry," says Renato de Mendonça Maia Jr, CEO Coremal, Comercio e Representacoes Maia Ltd. "The Omni-Chem¹³⁶ alliance includes leading chemical distribution companies around the world and we are honored to be a part of such a prestigious group of companies."
